## WOMEN OF WORSHIP

**WoW!** Is the new woman's ministry of this Church.

**O**ur Vision is that every woman experience and grow in worship as a life style. Worship is far beyond sing songs of praise and dancing before God although we love and encourage you to be free in this. It is learning and growing in our relationship with our Almighty Father and doing all our daily living unto Him. This is achieved as we gather together and learn from each others experiences and most of all as we study His word and have valuable time with Him.

God has placed a great deal of wealth and ability in us all, both natural and spiritual, each of us have the ability to hear from God and share what you have experienced and learnt from him. The young shall learn from the old this is not just natural age but what you have learnt in your spiritual age and sometimes age does not even come into it ,as I have even learnt lots from just raising my kids. The point is we need each other to learn and grow, so we can be all we are meant to be and fulfill our God given destiny.

The word Wow means

1. A striking or outstanding success
2. To excite to enthusiastic admiration
3. A strong feeling (as pleasure, surprise, greatly impressed)

I believe the women of this church are going to be, Outstandingly successful, Exciting, Full of Passion, Amazing, Inspirational and Fantastic Wow! Women; and as we all grow to become stronger Wow! Women, people will see us and be influenced by us.

If you are stirred up about Wow! Women then come join us for our first Exciting gathering. We will be discussing what a Wow of a time we will be having this year. So please come with fresh ideas of things for us to do or achieve, let's live and enjoy life outside the box of religious structure, lets not stay confined to the walls of meeting just in homes and go out and enjoy Our Fathers creation by do stuff together. That doesn't mean we won't sometimes gather indoors or have women's conferences though.

Our first get together will be on Saturday 18<sup>th</sup> March at 4pm
